Dear South Carolina Public Service Commission,

My name is Melinda McKissick and I am a Duke Energy Progress customer. My address is _____
_____venue Sumter SC 29150. My Duke Energy Progress account # is _____. I am writing
in protest to Duke Energy Progress increasing their rates again for SC customers. The docket # in this
case is 2018-318-E. Raising rates again would greatly impose a hardship on my husband and I as we
are currently living on a fixed income. I'm sure it would be hard on other South Carolinians as well,
especially those who only receive Social Security. I would also like to be informed as to the date, time
and place that the public community meeting will held concerning this matter.

Sincerely,

Melinda McKissick
